- Mini-Golf

Important things to know

Your Child has the exciting opportunity to share in Forest Springs' Day Camp! From shooting archery and air rifles to petting animals at the mini-farm, your child's day will be filled with activity and fun. During Bible Discovery Time with John & Diane Windle, important Biblical truths will be learned, all while laughing along with Harry and the Puppet Gang. Free Time and Lunch provide the chance for building friendships with other campers and their counselor. Be excited for your child to grow and learn through First Adventure Day Camp. We certainly are!

Preparation for the first day of camp is very important! Since this may be your child's first experience at camp, it is necessary to build excitement. Be aware that different and new places may be frightening to young children. Talk about camp with your child. Tell him/her what to expect. If you, as parents, are enthusiastic, your child will also be enthusiastic.

Cancellations do sometimes occur. If you need to cancel your registration, please notify us as soon as possible. Your courtesy may help another camper on a waiting list be able to attend. However, your registration deposit is **not refundable or transferable**.

Please bring tennis shoes, a light jacket, and excitement for the day!!
