

FOREST SPRINGS® Family of Ministries

Deep in the forest of north central Wisconsin is a place you can come and find refreshment.

The scenic 570-acre setting provides a rich combination of natural beauty and modern conveniences, with Bible instruction and engaging activities that help campers gain a fresh focus on the important relationships in their lives.

Forest Springs exists to help people know Jesus Christ and equip disciples to lead the next generation. We provide Christ-centered programs, education, and facilities in the midst of God's creation, where servant-minded staff faithfully incorporate God's Word and the Gospel of Jesus Christ into all we offer.
